

October 16th, 2007 ISTC MEETING, 7.30, Kerry Park Arena

ATTENDANCE:

Steve Fracy; Brent Heath; Andrew Little; Andy Motherwell; Ryan White, Kayla Wilkie-Rafeiro.

MINUTES OF JUNE 20th, MEETING:

The minutes are posted on the club website and, moved by Ryan, seconded by Andy, were **accepted**.

TREASURER'S REPORT: Current balance \$7285.63, including \$419 from Sunday's Run Through the Jungle. Kayla asked about the cheque for the Cancer society derived from the Joe Brown event, it was to have been donated during the Cops for Cancer Ride through Mill Bay but this did not happen. Agreed that we would find out value (\$290 in June minutes) and send it directly to BC Cancer society.

OLD BUSINESS

CowEx demo

Both CowEx and participants were very happy with the way things went. CowEx is already talking as though it will have the same performance again next year. Brent noted that while the club has received the promised \$1000, there have not yet been any disbursements to people who helped and incurred significant expenses. It was assumed that Chris has this in mind.

Run through the jungle

Ran on October 14th in good weather and with an entry of 36. Down a bit from last year, probably due to proximity to Terra Nova and date changes. Everybody had a good time, big thanks to Steve Thomas for all his efforts, with help from Steve F. and a little from Brent. Kayla needs insurance papers, Steve will fax these to her.

NEW BUSINESS

Jaegerhouse trial

Ready to go on October 28th, Mark and Jesse have everything underway. Andrew asked about beginner/novice sections, he believes there are 3-4 riders from Saltspring who want to ride. Agreed that we should accommodate them, Steve will communicate this to Mark and Andrew will come over to help with such sections.

New member's keys

Steve moved, Ryan seconded and passed unanimously that **when new members join the club they should be issued a receipt, but will have to collect their gate key at a subsequent club meeting.**

Points standings

Following Cindy's withdrawal from club activity, the club points standings have not been updated since April. Steve has the data and undertook to update them.

Shananigan Trial

Scheduled for November 25th. Ryan is coordinating, work is under way, should happen on schedule, although assistance welcome.

Next meeting

Generally felt that beginning of November was too soon and unnecessary. Andrew suggested that we try to avoid conflict with VMC meetings (which are in 3rd week of month). Agreed to stick with first Tuesday in each month as warranted.

Ribbon

Andy pointed out that we are out of ribbon again. Ryan authorized, and agreed, to purchase more.

Salt Spring event 2008

Steve enquired about status of the Saltspring event for next year. Andrew pointed out that since it is held on private land, there is always some uncertainty, but looks like it will be run again next year. He will report on preferred date at December meeting.

Next meeting: December 4th, 7.30 at Kerry Park.

ADJOURNMENT: 8.15pm.
